

**ECMS next boardmeeting with election  
of  
President and Vice-President**

Thursday, June 10, 2021 at ECMS 2021 in Wildau

*Dear ECMS Simulationists,*

As you may know, in 2005 the ECMS introduced an executive board as a management structure, whose members changed over the years. The executive board consists of a President and a Vice-President, both elected for two years. It also consists of our former Presidents, our ECMS historian, our IT coordinator and conference- and programme chairpersons.

According to our rules, the elections for a new President and a new Vice-President should have taken place at a board meeting of the ECMS 2020.

Due to the global corona pandemic, the ECMS 2020 conference had to be cancelled, so there was neither a board meeting nor an election in 2020.

Our **next board meeting** and election is scheduled for **Thursday, June 10, 2021** at ECMS 2021 in Wildau, Germany.

**Each participant in ECMS 2021** is also entitled to attend the board meeting to suggest future venues for ECMS conferences and to nominate candidates for President or Vice-President.

If you are planning to attend the 2021 board meeting, please contact Martina-M. Seidel, [ecms@scs-europe.net](mailto:ecms@scs-europe.net) at the ECMS office.

We are looking forward to welcoming you at TH Wildau, Germany, June 8-11, 2021!

*ECMS board members*
