Delft, July/August 2003

Dear [ESS'2003](#) author,

We congratulate you with the acceptance of your submission as an **EXTENDED** paper, after rigorous reviewing by the Program Committee. Enclosed you will find the author kit for preparing your final paper for the [2003 ESS](#) Conference. Please note the paper submission deadline, which is **September 15, 2003**. This is a hard deadline, and the papers received after that date cannot be included in the Conference Proceedings and in electronic format. In case you have problems matching this date, please inform Vlatka Hlupic (vlatka.hlupic@brunel.ac.uk), the General Program Chair of the conference.

The general and detailed comments, if any, of the separate referees, have been sent to you by email. The comments are presented in their own words, and it might be possible that they did not fully understand your abstract because of differences in interest or opinion. Please, incorporate the comments in your full paper as much as possible, in order to improve the quality of your paper and therewith the quality of the Proceedings and the conference. The Program Committee will judge the full papers as well.

As we will produce the Proceedings in electronic format (for a CD and a printed version), we would like to receive your full paper by email **in one of the following formats: MS-Word or PostScript or RTF. In addition, include a formatted PDF file of your paper. Send the electronic version of your paper to ess2003@tbm.tudelft.nl**. After the correct receipt of your paper, you will get a confirmation.

If you have any further questions or requests you can contact me. Further information about the conference will be published in the Preliminary Programme and on our website on URL <http://www.scs-europe.org>. The [hotel information](#) is also online at the Website. See you in [Delft](#).

Yours Sincerely
Vlatka Hlupic
Program Chair ESS2003
